ADE BRANCH MEMORANDUM 508.41
Amendment 1

R. W. Morgan

To : All ADE Branch Stations
From : R. W. Morgan, Administrative Officer
Subject: Revision of Funds Earmarked for Fiscal Year 1956

I PURPOSE

The purpose of this memorandum is to notify each Branch station of the revised amount of funds available for each project.

II GENERAL

This revision covers Pay Act costs and is based on the amounts indicated in your response to the Branch Notice dated August 19, 1955. The availability has not been increased in those instances where Pay Act costs were included in the original budget estimates. Pay Act costs were not provided for regular salaries charged to that part of the Brucellosis project financed from C.C.C. funds; therefore it was not possible to provide the full amount of funds requested for that project.
